1. Will you please send up traces on:-

Ostuf. RIEDEL.  
Etienne LEANDRI.  
Organisation JEANNE MICHEL.  
Oberleutnant MERCK (Captain KAISER) and

any further traces on:-

UHRING (probably identical with SHAEF cards  
36469 and 49890.

DUFFNER (almost certainly identical with subject  
of SHAEF cards 1241 and 12432).

2. I do not think any of this information should be  
used to amend the SHAEF cards on MAUER, MERCK and BESIOW  
and the SHAEF cards on Ostuf. RIEDEL and LEANDRI should  
merely state their positions as i/o of Jagdverbaende Mitte  
and member of NEISSER's Kommando respectively.

3. Will you please extract the information about  
Alois TONIN into his P.F. and the same for UHRING if he has  
a P.F.

4. The SHAEF cards on NEISSER, HAGEDORN, LOBA, DOBRITSCH  
and DUFFNER should be amended and para. 11 should be extracted  
and filed in S.F. Badenweiler School.

5. Apparently the French intend to use ULLBRICH and  
KUSSAK so no amendments should be made to their SHAEF cards.

6. If there are any questions please call me up.
